

Accommodation

To ensure a comfortable stay in Naples, the organisers of the 24th EASAA Conference are glad to provide information on hotels in the city, and suggest partners offering special rates for Conference attendees. **Since summer is peak tourist season in Naples, please book early.**

For Affiliated Hotels: participants should contact the hotel directly, including 'EASAA 2018 Conference, UNO' in the email subject line.

For Non-affiliated Hotels: all prices and details are subject to changes beyond EASAA's control.

Naples also offers plenty of cheap alternatives to hotels (see below). We will keep uploading tips on accommodation, so please keep checking back.
